

## Autumn Newsletter September 2020

**Message from the Headteacher** Well, that was the most unusual summer term we've ever had!

I am so pleased to see so many children and young people returning to school. We have been working hard to develop the provision at Bell Lane and we have also opened an additional provision at Honilands. We have been getting all three sites covid secure. Whilst we cannot guarantee that our setting does not have the virus, we are working hard to reduce the chances of it being in school.

Here are some of the measures we have put in place

- Each department now identifies as one bubble- staff and pupils do not leave their bubble. We hope this will reduce the risk of any infection being passed throughout the school.
- We have increased hand washing and provided PPE to staff
- We have reduced visitors to the school - all visitors are asked to leave a telephone number so we can track them if we need to.
- We carry out our meeting via google hangouts or teams
- We are not currently offering swimming, hydro or p.e. Until we feel we can do this safely
  - All staff and families have been reminded not to attend school if they or anyone in their household has presented with symptoms.

We were pleased that 72% of our school population returned to school when we opened. Some pupils who had been travelling are isolating at the moment and we look forward to their return.

It is important that we all keep up to date with how the coronavirus is affecting local communities. If you use TWITTER I suggest you follow Enfield Council they regularly post information about the local area.

### **Reminder**

**TO ENSURE WE ARE DOING EVERYTHING WE CAN TO KEEP EVERYONE SAFE AND SCHOOL OPEN.**

Do not send your child to school if they have a temperature, a rash, a new cough or stomach problems. If your child presents with any of the above please contact your GP for advice.

We are limiting visitors to the school to avoid any cross contamination. Please only enter the building if it is essential. If you are picking your child up from school please wear a mask.

### **Home learning and homeschool books**

We are aware that some parts of the school may have to be close if there is an outbreak of coronavirus. In order to stay in touch we have introduced classDojo. Your teacher will invite you to the class and you can write messages and send videos to your teacher. Class dojo is now being used instead of a homeschool book. If you have not been able to send a message to your teacher please let them know and we will make sure you are connected.

**Staffing news** We welcome lots of new staff this year.

Graham Williams, our premises manager and Doreen Williams will be leaving Waverley at the end of the term. Graham started working at Waverley 29 years ago. They will be greatly missed. Their dedication to the school over the years has been admirable.

**Physiotherapy** We have lots of changes happening with Physiotherapy this year. Jo is leaving at the end of this half term. Mino is going to be leaving next week to complete further training. Zofia is leaving to have a baby and Ryan has graduated and has taken up a physio post. While new staff are recruited Anna and Ilektra will be covering their caseload.

Fundraising  
School Playground  
Can you help?  
We need to raise £ 76,796  
To complete phase 4

**The third phase of our playground development has been completed. The children have really enjoyed playing in their new playground.**

This is a huge amount of money, but with the help of parents, staff and governors and friends we can raise this money and hopefully finish the rest of the school playground by August 2021. We already raised £209,372.00

If you have a fundraising idea or if you can help with the school lottery, payroll giving, easy fundraising, and match funding, please contact the school office on 0208 805 1858 and speak to *Helene*.

Having successfully raised enough money to complete phase 1,2,3 we are now aiming to fundraise for the completion of phase 4. As you may be aware we have been fortunate to complete these phases through the following:-

\*Emma Long's legacy £100,000 Emma attended Waverley from May 1996 to July 2012. Emma was a well-loved member of the school and sadly she passed away in July 2017. The generous donation is so great that it will enable us to redevelop more than half of our playground plans. The playground will be a lasting legacy from Emma which will be valued by all who play there.

School lottery £2,771.60 funds rose since launch. We have 54 Supporters for the school lottery! If you haven't yet signed up for your school lottery, you are

missing out. So far there have been 87 winners - all friends of Waverley. Please click <https://www.yourschoollottery.co.uk> the link to join our school lottery.
