## Home-School Agreement

The School's vision

**Challenging expectations and sharing success**

By

- \*Recognising and providing the support each pupil needs to be motivated to learn, empowering independence.
- \* Celebrating the pupils achievements with parents and guiding families to be successful
- \*Ensuring that staff are highly trained and use their expertise to expand possibilities for each pupil by providing inspirational opportunities.
- \* Supporting other schools and providers to improve and in doing so creating a reputation of excellence

## School will:

Encourage children to do their best at all times

Use professional advice from therapists to assist in the delivery of sessions

Inform parents of pupils achievements in Annual Reviews, parents evenings, in their end of year report, in their home-school book and during meet the teacher sessions

Recognise each child as an individual

Share strategies which are successful at school

Teacher's signature.....

Head teacher's signature.....

## Family will:

Read home school book every day and check bag for letters

Inform school of any changes to address and telephone numbers

Inform school of any changes to medication

Book holidays during school holidays

Attend Annual reviews and when possible assemblies and coffee mornings

Parent's signature.....
