

Secondary 4 - Another exciting year planned.

Welcome back everyone. We are looking forward to another great year with our amazing students.

We are planning some fantastic activities and experiences for our students this term and we hope that you will support us in everything we do.

Students will hopefully experience some of the following activities with support from staff in the department: - Horse-riding, coaching from Tottenham Hotspur, Panathlon and Borough wide sports competitions, Step into dance sessions, Cinema trip, Pantomime, Christmas performance, trips out in the local community and much much more.

We aim to give all our students a wide range of positive experiences, ensure they are safe and happy at all times and provide educational experiences which will benefit them in the long term. We want our students to be as independent as possible and to learn life skills which will support them in the adult world. As always we will provide extensive transition support for all our leavers to ensure that the students and parents / carers are aware of the options and pathways for our young people once they leave school in July 2018. Coffee mornings will be organised during the Autumn term as well as meetings with parents (EHCP Reviews) to discuss concerns and provide relevant support for all parents.

Each class will be providing exciting and challenging lessons, topics will be explored and hopefully lots of great work will be achieved. Please remember we are an open department and we welcome visitors at anytime. We love to see parents and carers in school and communication in the home books is very important to let us know what is happening at home. Try to call before 9am or after 3pm if possible if you wish to speak to a class teacher.

Please remember to provide your student with the correct medication, personal care items, swimming kit and spare clothes. We rely on the support of parents to ensure we have the correct items for each student on a daily basis.

From the teachers and staff in Secondary 4 we look forward to a super year and hope to meet you all very soon.

Kind regards,

Gary Smith (Head of Secondary 4 / Redwood class), Jenny Buck (Larch Class),  
Lorraine Roberts (Oak Class), Katie Bateman (Beech Class).
