Charging for school activities

Departmental advice for governing bodies, school leaders, school staff and local authorities May 2018 [Charging for school activities. \(PDF\)](#)

The charging policy informs staff and parents about charging for school activities. It conforms to the requirements of the guidance detailed by the Department of Education (DfE), via the Governors Handbook, dated May 2019.

Under the charging provisions set out in legislation, governing bodies and local authorities of state funded schools may choose to charge for certain defined activities, but only if they have first drawn up charging and remissions policies. These policies should be made available to parents on request 'Governance Handbook For academies, multi academy trusts and maintained schools, January 2017' and Charging for school activities, Departmental advice for governing bodies, school leaders, school staff and local authorities October 2014'.
