

Our vision

Home-School Agreement

The School's vision

Challenging expectations and sharing success

By

- *Recognising and providing the support each pupil needs to be motivated to learn, empowering independence.
- * Celebrating the pupils' achievements with parents and guiding families to be successful
- *Ensuring that staff are highly trained and use their expertise to expand possibilities for each pupil by providing inspirational opportunities.
- * Supporting other schools and providers to improve and in doing so creating a reputation of excellence

School will:

1. Encourage children to do their best at all times
2. Use professional advice from therapists to assist in the delivery of sessions
3. Inform parents of pupils achievements in Annual Reviews, parents evenings, in their end of year report, in their home-school book and during meet the teacher sessions
4. Recognise each child as an individual
5. Share strategies which are successful at school
