Disqualification under the Childcare Act 2006

****Important information for all staff and workers who may be affected by disqualification requirements under the Childcare Act 2006 and the Childcare (Disqualification) and Childcare (Early Years Provision Free of Charge) (Extended Entitlement) (Amendment) Regulations 2018****

In July 2018, the Department for Education (DfE) issued revised statutory guidance 'Disqualification under the Childcare Act 2006', effective from 31st August 2018. The link is:

https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/719794/Disqualification_under_the_childcare_act_July2018.pdf

The guidance sets out the requirements of the Childcare Act 2006 and the Childcare (Disqualification) and Childcare (Early Years Provision Free of Charge) (Extended Entitlement) (Amendment) Regulations 2018, explaining that that certain persons are subject to additional checks to ensure that they are not disqualified from providing early years childcare including education, later years childcare to children who have not attained the age of eight or being directly concerned in the management of that provision. This requirement affects the following:

- **Early Years provision** - staff/workers, inc. volunteers, providing any care for a child up to and including reception age (from birth to 1st September following the child's 5th birthday). This includes education in nursery and reception classes and/or any supervised activity (e.g. breakfast clubs, lunchtime supervision and after school care provided by the school) both during and outside of school hours for children in the early years age range;
- **Later Years provision** (for children under 8) – staff/workers, inc. volunteers, working in childcare provided by the school outside of school hours for children who are above reception age but who have not attained the age of 8. This does not include education or supervised activity for children above reception age during school hours (inc. extended school hours for co-curricular learning activities, such as the school choir or sports teams) but it does include before school settings, such as breakfast clubs, and after school provision;
- **Management** - Staff/workers, inc. volunteers, who are directly concerned in the management of such provision.

The statutory guidance provides more detailed information on those categories of staff, workers and others who are specifically covered by the legislation.

Under the legislation, person is disqualified if they are 'found to have committed' an offence which is included in the 2018 Regulations (a 'relevant offence'). The criteria for disqualification in respect of non-domestic settings include the following:

- a. inclusion on the Disclosure and Barring Service (DBS) Children's Barred List,
- b. being found to have committed certain violent and sexual criminal offences against children and adults which are referred to in regulation 4 and Schedules 2 and 3 of the 2018 Regulations (note that regulation 4 also refers to offences that are listed in other pieces of legislation);
- c. certain orders made in relation to the care of children which are referred to in regulation 4 and listed at Schedule 1 of the 2018 Regulations;
- d. refusal or cancellation of registration relating to childcare,3 or children's homes, or being prohibited from private fostering, as specified in Schedule 1 of the 2018 Regulations;
- e. being found to have committed an offence overseas which would constitute an offence regarding disqualification under the 2018 Regulations if it had been done in any part of the United Kingdom.

A disqualified person is not permitted to continue to work in the above settings unless they apply for and are granted a waiver from OFSTED.

In accordance with the legislation you are, therefore, required to sign the declaration overleaf confirming that you are not disqualified from working in, or being concerned in the management of, the above settings.

If you fail to complete and return the form, this will be regarded as a disciplinary matter for staff, which may result in dismissal, and, in the case of volunteers, will mean that you can no longer work at this establishment.
